## **SOUL VOWS**

Gathering the Presence of the Divine In You, Through You, and As You  
**Janet Conner**

Your soul vows are your how. They describe how you choose to walk this earth, in every moment of every day. They are who you receive and spread grace. As you live your soul vows, you become a fertile container in which your soul purpose can take root and prosper. If you long to know your soul's purpose, *Soul Vows* is an ideal place to begin.

With her characteristic blend of personal story, love of paradox, expansive inquiry into the heart of the diverse spiritual traditions, and confidence in the power of deep soul writing to elicit personal divine guidance, Conner leads the reader through a groundbreaking application of the ancient chakra system to discover his or her own unique soul vows.

Your soul vows are your personal path to the peak experiences seekers want most: authenticity, integrity, wholeness, and the vibrant present of the Divine. Your soul vows are custom-designed; no two paths look the same. Soul vows are a living construct of a whole and holy divine in you that builds collectively into the expression of the divine in us, through us, and as us. Surely this is how we create the kingdom of heaven on earth.
